The Sixth Form boarding house has single en-suite rooms.

Full access to school music, sport, cookery and library facilities in evenings and at weekends.

Dedicated boarders' social area 'The Bunker'.

Weekend trips organised, for example cinema, London sights, theme park, shopping (usually charged extra). Also open to Day students to attend.

Terms and Conditions

All extra paid lessons and activities require a term's notice to be served in writing (email to relevant Head of Department) to commence or stop. Students will be expected to continue the following term unless notice is served. Charges will be raised a term in advance. Where Learning Development lessons are requested, it may be possible to start teaching support sooner, however one term's notice is still required to stop lessons. ELSA Support is delivered in blocks of 5 sessions each half term, and half a term's notice is required to stop sessions.

Charges include a minimum of 9 lessons per term (unless otherwise stated). Any additional lessons to be charged will be agreed in advance. Additional extras may include exam fees, any musical accompanist or extra exam preparation lessons.

The student is responsible for checking and noting their lesson time. Times of lessons will be on a rotational basis where appropriate (except Learning Development). Lessons are delivered through the study leave and exam period unless notice is served in advance.

Teachers will be provided with a copy of the School calendar and a note of any key dates and at the start of term will look ahead to reschedule any possible clashes to ensure the minimum number of lessons are delivered. Lessons will not be charged where the teacher is absent. No refunds will be given where a student misses a lesson due to non-attendance, where that non-attendance is due to student illness or not keeping an accurate note of the lesson time. Where non-attendance is expected and notified to the teacher with at least 3 days' notice, reasonable efforts will be made to reschedule the lesson.

Dance, LAMDA and tennis lessons may be taught 1-1, in pairs or in groups. Where a group or paired / 2-1 lesson is requested, reasonable efforts will be made to match the student with an appropriate partner or group, taking into account ability and timetable availability. Where a partner or group is not available, an alternative lesson arrangement may be offered (eg 2-1 or 1-1) which may incur a higher charge. Should this alternative option not be desired then the student will be placed on a waiting list until such time as a suitable partner or group can be identified.

Parents may wish to take out optional additional insurance to cover student possessions against loss or damage or to cover school fees in the event of student absence from school. This is provided by Howden Insurance. (Charges may be subject to review)

Payments

School fees are invoiced termly in advance. Invoices must be cleared before the start of term.

We offer the ability to pay by direct debit.

Termly direct debit: The full termly fees and extras are collected the day before the start of each term.

The Fees in Advance programme offers parents the ability to pay for a minimum of 6 terms in advance via an upfront lump sum payment. This scheme offers a discount rate of 2.5% on the future payments.

Discounts

The following discounts are available to students:

Sibling discount: 7.5% of Day fee
Applied to the younger sibling's fees for the time that both/any siblings are at the school together.

Military discount: Around 30% of full fees (depends on CEA amount). School covers the difference between CEA and 10% parent contribution towards fees (ie 10% of Full Boarding or Weekly Boarding Fee).

FCDO discount: Around 15-20% discount on full fees (depends on CEA amount). School covers the difference between CEA and the fees (Full Boarding, Weekly Boarding or Day Fee)

Bursaries

The school offers bursaries to deserving students who demonstrate financial need and a strong potential to contribute positively to the school community. Bursaries are 'means-tested' such that the amount of help with fees depends on each family's individual financial circumstances.

Making an application for a bursary does not adversely affect a student's chances of being offered a place at Queen Anne's.

Bursaries are generally awarded on entry to the school (with the exception of Hardship bursaries). Red Cloak Awards are offered from Queen Anne's dedicated endowment and they are transformational awards determined by Governors. Red Cloak awards can extend to covering the boarding fee, uniform, educational trips and if applicable, travel to and from school.

Applicants must demonstrate a genuine financial need. This will be assessed based on a thorough review of the family's financial information, including income, expenses, assets and any extenuating circumstances. The initial application will involve completing a 'financial profile'. The school has engaged Bursary Administration Limited, a third party organisation, to assist with the review of bursary applications. The application process includes a home visit where a member of the Bursary Administration Limited team will discuss with the family their financial circumstances and review primary documents.
